Instructions regarding the procedure of participation of the shareholders in the Ordinary General Meeting via video conference are provided below in the present Invitation.

The Vice-Chairman and Managing Director of the Board of Directors of the Company, Mr. Dimitrios Andriopoulos, is tasked with making the required publications, notifications and in general actions for the convening of the Ordinary General Meeting of the Company's Shareholders, in order for the Shareholders to exercise their rights, in accordance with the law and the Company's Articles of Association.

Pursuant to Article 121, par. 3 & 4, 124 and 128 of Law 4548/2018 as in force, the Company notifies its shareholders of the following:

I. Right to attend the General Meeting

Any person who has the capacity of shareholder at the beginning of the fifth (5th) day before the date of the original session of the General Meeting, i.e. at the beginning of 17.06.2023 ("Record Date") has the right to attend the Ordinary General Meeting (original and repetitive session). This Record Date also applies in the case of an adjourned meeting, provided that said meeting is not more than thirty (30) days from the date of Record according to article 124 par. 6 of Law 4548/2018. Towards the Company, as shareholder entitled to participate and exercise voting right at the General Meeting is considered any person registered, on the Record Date, in the records of the Dematerialized Securities System ("DSS") of the Hellenic Central Securities Depository S.A. ("HCSD") or any person identified as such based on the relevant date through registered intermediaries or other intermediaries, in line with the legislative provisions (L. 4548/2018, L. 4569/2018, L. 4706/2020 and Regulation (EU) 2018/1212), as well as the Rulebook of the Hellenic Central Securities Depository (Government Gazette B/1064/10.03.2022).

A shareholder may participate in the General Meeting through confirmations or notices of Articles 5 and 6 of Regulation (EU) 2018/1212, which are provided by the intermediary, except if the General Meeting refuses said participation for good reason which justifies this refusal in line with the applicable provisions (art.19 par. 1 L. 4569/2018, art. 124 par. 5 L. 4548/2018).

The exercise of participation and voting rights in the General meeting does not presuppose that the shareholders' shares are blocked or any other similar procedure which limits the possibility to sell and transfer these during the period between the Record Date and the General Meeting.

Shareholders who are legal entities participate in the General Meeting through their representatives, pursuant to point IV herein below. Legal entities must also submit their legalization documents within the period referred to under point IV herein below according to applicable law, unless these have already been submitted to the Company and consequently it suffices to be mentioned in the representation document where they have been submitted.

In case a shareholder (natural or legal person) wishes to vote on the items on the agenda before the general meeting, he/she may complete the form entitled "Ballot", which is available on the Company's website at <https://www.dimand.gr> and submit it to the Company by sending an email to ir@dimand.gr, no later than twenty-four (24) hours before the commencement of the meeting, that is by June 21, 2023 at 11:00 a.m. It is clarified that each shareholder may vote either before the meeting or during the meeting.

In order for the Shareholders wishing to participate in and vote at the General Meeting of 22.06.2023 or any adjourned meeting thereof, remotely, in real time, via videoconference, without their physical presence, the Shareholder or his or her proxy must create and use an electronic account on the electronic platform developed by the Athens Stock Exchanges Group - Athens Stock Exchange S.A. for the provision of services for conducting general meetings remotely in real time via teleconferencing to issuing companies, on the website <https://axia.athexgroup.gr/>

To create the account of the Shareholder or his or her proxy on the above Online Platform, a valid email address and the mobile phone number of the Shareholder or any of his proxy are required.

In the event that upon entering the Online Platform, the above data entered by the Shareholder do not match the data registered in the Dematerialised Securities System and notified to the Company by the Hellenic Central Securities Depository S.A. (ELKAT), or through intermediaries, as part of facilitating shareholder identification control at general meetings remotely, provided to issuing sociétés anonymes, in accordance with Part 3 of Resolution No 8 of the Board of the Hellenic Central Securities Depository S.A., "Services for facilitating the identification of Shareholders in remote general meetings & providing a two-factor authentication process upon investors' access to electronic services of ELKAT", the shareholder must update the above details thereof in order to create the account.

To this end, shareholders are requested to contact the Participant of the Securities Depository at DSS or other intermediary acting as the shareholder's custodian through which their shares

On the date of the General Meeting, in order to participate in the proceedings Shareholders must connect in a timely fashion through the Internet Platform, fifteen minutes (15') before the start time of the General Meeting that has been announced in the Invitation, and to declare the number of voting rights with which they will participate and vote at the General Meeting, and, whether they wish to modify them (to a lower number).

Shareholders that participate in the General Meeting via videoconference in real time as well as those present, are counted to calculate the quorum of Shareholders present or represented at the General Meeting and of the percentage of the issued share capital of the Company that is present or represented in the General Meeting and will be able to exercise effectively their rights during the General Meeting.

Shareholders that have successfully connected to the Online Platform will be able to participate in the General Meeting by teleconferencing in real time, via a link to be sent to them via email.

(d) receive information on the recording of their vote.

III. Exercising voting rights through representatives

Persons, entitled to participate in the General Meeting, may participate therein also by proxies. Every person entitled to participate, may appoint up to three (3) proxies. The limitation applies to each securities account, i.e. if a shareholder holds shares of the Company that appear on more than one securities account, this limitation does not prevent the shareholder from appointing up to three (3) proxies for the shares appearing in each securities account relating to the Ordinary General Meeting. A proxy acting for more persons, entitled to participate, may cast a different vote for each of them

Specifically for shareholder participation by proxy at the Ordinary General Meeting on 22.06.2023 or any adjourned meeting thereof, remotely in real-time by video conference, the shareholder or the Operator of their Account or any other intermediary acting as their custodian, providing them with custody services, can appoint up to one (1) proxy, following the process described under IV. below.

Representation authorization can be freely revoked.

A person, entitled to participate, may appoint a proxy for either a single general meeting or as many meetings as may take place within a certain time. The proxy shall vote in accordance with the instructions of the principal, if any, and shall archive the voting instructions for at least one (1) year from the date of the general meeting or, in the event of its adjournment, from the date of the last repetitive meeting where the proxy made use of the representation authorization. The proxy's failure to comply with the instructions he/she has received does not affect the validity of the decisions of the general meeting, even if the proxy's vote was decisive in taking them.

Prior to the commencement of the Ordinary General Meeting, the shareholder's proxy shall notify the Company of any specific event that may be useful to shareholders to assess the risk

that the proxy is serving interests other than the interests of the specific shareholder. For the purposes of this paragraph, a conflict of interest may arise, in particular where the proxy is:

- a) shareholder, exercising control over the Company or is another legal entity or entity controlled by that shareholder;
- b) member of the Board of Directors or, in general, of the Company's management or shareholder, exercising control over the Company or any other legal entity, controlled by a shareholder, exercising control over the Company;
- c) employee or auditor of the Company or shareholder, exercising control over the Company or any other legal entity, controlled by a shareholder exercising control over the Company;
- d) spouse or first degree relative of any of the individuals mentioned in cases a. to c.

IV. Notification of representative - Appointment and revocation of proxy or representative

Notification of representative, appointment and revocation of a proxy or representative are performed only in writing and shall be communicated to the Company at least forty-eight (48) hours prior to the scheduled date of the Ordinary General Meeting (namely the latest by 20.06.2023 at 11:00 a.m. for the original General Meeting and the latest by 28.06.2023 at 10:00 a.m. for the Repetitive session).

Proxy form for the appointment of a representative to participate in the General Meeting, both in person and by video conference, as the case may be, will be available to shareholders in electronic form on the Company's website as part of the information material for the Ordinary General Assembly of 22.06. 2023, at the following address (<https://www.dimand.gr>).

The above form is either submitted filled in and signed at the Company's headquarters (115 Neraziotissis Str, 15124 Maroussi), with the original signature certified by a competent authority, or sent digitally signed using a recognized digital signature (qualified certificate), via e-mail to the e-mail address ir@dimand.gr, or, in the case of shareholders identified through intermediaries, through confirmations or notices of Articles 5 and 6 of Regulation (EU)

2018/1212 provided by the intermediaries, at least forty-eight (48) hours before the date of the General Meeting.

In the case of appointing a representative to participate in the Ordinary General Meeting remotely, in real time via video conference, after receiving the above information from the Company and based on the representative's or proxy's email address and mobile phone, as they have stated in the form of appointment of a representative or proxy, the Company creates an account for the representative or the proxy on the electronic platform, who will be informed by email in order to activate the account in order to exercise the rights of the shareholder in accordance with what is referred to the above

In case that the shareholder entitled to participate in the General Meeting has not duly notified the Company of the appointment of a proxy or representative as per above and has not submitted the legalization documents referred to herein above, such shareholder may only participate in the General Meeting upon the General Meeting's consent.

The eligible participant is invited to take care of the confirmation of the successful postage of the representative appointment form (or the electronic authorization) and its receipt by the Company by calling Investor Relations and Corporate Announcements Service Unit of the Company at (+30) 210 8774200.
